Dear Alumni

Our community keeps growing. On May 28th we were able to welcome 182 new members of our association. Congratulations to all of you for successfully completing your studies at SSTH. There are alumni groups on facebook.com and xing.com. Please come and join us there.

Our regional meetings have been more or less successful. Unfortunately I won't be able to be at the Zurich meetings anymore but it would be great if this meeting wouldn't die with my moving away. So please put the second Monday of the month on your agenda. The meeting is at the Carlsberg News Bar right across from Zurich Main Station at 6:00 p.m.

The next big event will be our yearly homecoming in Passugg. Unfortunately we had to move the date. So it will be held on *November 1st 2008*. We're very sorry, that we had to change the date but we do hope that many of you will be able to attend anyway.

As I mentioned earlier I will be moving away from Zurich and after five years go back to Chur. I will be managing the Zunfthaus zur Rebleuten which is a small Hotel and Restaurant in the old part of the city. So any time you need a room in Chur please come by, I'm sure I'll be able to offer you a special rate. If you are in a position to offer any of the other alumni a special rate or any other benefit, please let us know, we would love to publish your offer in the newsletter.

I hope to see you all soon either in Chur or Passugg.

FOOD FESTIVAL 2008

The second most important date in the alumni calendar is surely the meeting in the alumni lounge at the food festival.

This year we had a really international gathering, with guests from the UK, Germany, USA, Norway and of course Switzerland. Approximately 120 alumni met in the former games room to have a chat about good old times and to meet up with former colleagues and teachers of SSTH.

TRIP TO MUNICH

From Friday the 2nd to Sunday the 4th of May a group of 9 staff members and alumni went on a "study" trip to Munich

On Friday we visited the Paulaner's Brewery. After learning all about beer we had a good meal and an enjoyable "beer tasting evening" at the "Nockherberg"

On Saturday morning a tour through the Arabella Sheraton Grand Hotel was on the plan. After a little shopping and sight seeing in the afternoon, we met for dinner at the Hofbräuhaus, which is an absolute MUST on a Munich visit.

Do you have some news to share?

Are you looking for somebody from school days?

Do have a special offer for the alumni?

Do you want to greet somebody

Let us know and we will publish it the next edition

alumni@ssth.ch

Karoline, Michael, Monika, Beat, Patrik, Rocco and I really enjoyed this trip. Plans are already running for a similar event in the near future.
